

Retraction Notice

Silva, R., Azevedo, T., Martins, H., Pereira, L. C. (2024). Cluster analysis applied to fuel price data in Campina Grande. *Socioeconomic Analytics*, 2(1), 137-143. <https://doi.org/10.51359/2965-4661.2024.265075>.

This article has been retracted at the request of the editor. Following publication, concerns were raised regarding significant unacknowledged similarities with previously published work. An investigation confirmed substantial overlap. As a result, the article has been retracted to maintain the integrity of the scholarly record.
